INTRODUCTION

The Board of Directors of the St Barnabas Multi Academy Trust (MAT) is the Admissions Authority and applies the regulations on admissions fairly and equitably to all those who wish to attend the MAT's schools.

This policy conforms to the regulations that are set out in The School Standards and Framework Act, The School Admissions Code 2014 and the School Admissions Appeals Code 2012.

We are inclusive schools that welcome children from all backgrounds and all abilities.

The Board of Directors and Local Governing Bodies operate, in line with the Admissions Code 2014, an equal preference scheme. All applications will be treated on merit and in a sensitive manner.

Applications for a Reception place must be made through Cornwall Council's Co-ordinated Admissions Scheme.

ADMISSION OF RECEPTION CHILDREN

We teach infant children (aged 5 – 7 years) in classes of no more than 30 pupils to a class, except in very limited cases where we are required to admit an additional child in accordance with the School Admissions (Infant Class Sizes) (England) Regulations 2014.

For the 2024-25 school year, dates for admission to the Reception class will be as detailed in Cornwall Council's Co-ordinated Admissions Scheme.

All children will be able to be admitted to school full-time in September 2023. However, parents have the right to request part-time or deferred admission until their child is of compulsory school age, although they still cannot defer beyond the summer term of their reception year.

Deferred entry may be carefully considered on a case by case basis at the CEO's discretion but will be in line with the recommendations as stated in the Co-ordinated Admissions Scheme.

CLOSING DATE FOR APPLICATIONS/NOTIFICATION DATE

The closing date for the receipt of applications for admission to a reception class during the 2024-2025 school year will be in line with the timetable, as set out in the Co-ordinated Admissions Scheme. Applications can be made online or by post.

Parents will be notified of the outcome of their application for a place in reception class in line with the timetable stated in the Co-ordinated Admissions Scheme.

Late applications

These will be dealt with in accordance with the Co-ordinated Admissions Scheme.

All applications for places for the 2024-2025 school year should be referred to Cornwall Council which is the Local Authority.

Children with an Education, Health and Care Plan (EHCP)

We will admit a child with an Education, Health and Care Plan if the particular school is specified in that plan.

The only restriction we place on entry is that of numbers.

In the event of an application where the year group is full the Board of Directors will apply the 'oversubscription criteria' and inform parents of their decision. The right to appeal against the decision of the Board of Directors, to an independent Appeal Panel remains and further details are available from the school.

In order to meet the recommendations of the School Admissions Code 2014, the following oversubscription criteria will be used (in order of priority) to determine the allocation of places, where there are more applications than places available after the admission of children with an Education, Health and Care Plan that names the particular school:

1. Children in care and children who were previously in care but immediately after being in care became subject to an Adoption, Child Arrangement or Special Guardianship Order. (*see Definitions – Children in care/Children who were previously in care).

2. As a Church of England Multi Academy Trust we offer places to parents who wish

their children to receive an education which has a Christian influence ie the child attends a Christian place of worship (Church led worship) at least once a month for a period of one year with supporting evidence from parents/carers and the church minister. The reference can be submitted on the Supplementary Information Form directly to the school and must include regularity of attendance over the preceding year comprising attending at least 8 services in this period. Please see note below:

Variation to criteria

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church has been available for public worship. The Directors will expect a letter of commendation from their Parish Priest or minister to confirm their involvement in their local church community (*see Definitions - Practising Christian).

3. Children for whom the school is the designated school for their home address. If you want to confirm that the school is the designated school for your address please contact the Cornwall Council School Admissions Team.

Cornwall Council has divided the County into geographical areas. Each of these areas is served by a specific primary school, or in some cases, groups of schools. These areas are called 'designated areas' (you may also have heard these areas referred to as 'catchment' areas). The designated area used in our oversubscription criteria will be as defined by Cornwall Council. NB: not all schools prioritise on the basis of designated area or use the Local Authority's defined area, however, entitlement to home to school transport will still be based on these areas. Your designated school will not always be the one nearest to your home address. Maps are available for all designated areas online at: www.cornwall.gov.uk/admissions or by calling the School Admissions Team on 0300 1234 101 or emailing: schooladmissions@cornwall.gov.uk.

If you are planning to move into the designated area of one of our schools, your application for a place for your child will not be given the priority accorded to designated area pupils without firm evidence of your new address and moving date, such as a copy of a signed and dated tenancy agreement or confirmation that contracts have been exchanged.

4. Children with siblings who will still be attending the school at the proposed admission date. (* see Definitions - Siblings)

5. Children for whom the school is geographically nearer than the school designated as the appropriate school.

6. All other applicants (see Tie Breaker).

TIE BREAKER

If the criteria outlined above leave more children with an equal claim than places available, the following tie-breaker will be used:

Where two or more children fulfil the same criterion, priority will be given to the child who lives nearer to the preferred school in line with the criteria. Home to school distances used for tie-breaking will be measured by a straight-line measurement as determined by Capita One and supported by Cornwall Council's nominated Geographical Information System. Measurements will be between your home address (the centre of the main building of the property) and the main gate of the school (as determined by Cornwall Council).

Final tie-breaker

Should the tie-breakers above still leave children with an equal claim because distances are exactly the same, random allocation will be used to decide on priority. The school will use the Local Authority's Random Allocation Protocol, supervised by an independent person, which is available on request.

DEFINITIONS

***CHILDREN IN CARE/CHILDREN WHO WERE PREVIOUSLY IN CARE:** A 'child in care' may also referred to as a 'looked after child' and is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

A 'Child Arrangement Order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'Special Guardianship Order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

***SIBLINGS:** These are children with at least one natural or adoptive parent in common, living at the same or a different address at the time of admission. Children living in the same household at the same address would also be counted as siblings at the time of admission, regardless of the actual relationship to each other.

HOME ADDRESS: Each child may have one registered address only, for the purposes of determining priority for admission and transport entitlement. This address should be the place where the child is normally resident during the week in term-time. If there is shared custody of the child or a query is raised regarding the validity of an address, it may be necessary to use the address of the person receiving child benefit for the child, in order to make a decision.

PARENTS/FAMILY MEMBERS

A parent is any person who has parental responsibility for or who is the legal guardian of the

child. Where admission arrangements refer to 'parents' attendance at church, it is sufficient for just one parent to attend. 'Family members' include only parents, as defined above, and siblings.

CHRISTIAN: A Christian church is any denomination of Christianity, including churches which are members of Churches Together.

*PRACTISING CHRISTIAN: This will be subdivided and ranked accordingly and refers to a child, who in the opinion of the Parish Priest / Minister:

- i. is at the heart of the church;
- ii. is attached to the church or
- iii. is known to the church.

These will be defined as follows:

i. An applicant 'at the heart of the church' would be a regular worshipper, usually one who worships at least twice a month. To accommodate difficult patterns of work and family relationships account should be taken of week-day worship. The worshipper could be the child for whom application is made or one or both parents. Greatest priority will be given to these applicants.

ii. An applicant 'attached to the church' would be a regular but not frequent worshipper, by which is meant (for example) one who usually attends a monthly family or church parade service or is regularly involved in a weekday church activity including an element of worship.

iii. An applicant 'known to the church' would not be a frequent but probably an occasional worshipper, someone who is perhaps known through a family connection, or one or more of whose family would be involved in some church activity, such as a uniformed or other church organisation.

This will need to be evidenced by either a letter from the Parish Priest or Minister or a signed statement on the application form.

Variation to criteria due to Covid – 19 Pandemic

In the event that during the period specified for attendance at worship the church [or, in relation to those of other faiths, relevant place of worship] has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church [or in relation to those of other faiths, relevant place of worship or alternative premises have been available for public worship.

WAITING LISTS – RECEPTION 2024-2025

Once all parents have been notified whether their children have been allocated places at their chosen school, any parent refused a place will be asked whether he/she wishes his/her child's name to be put on a waiting list. Places are allocated to children on the waiting list if, and when, places become available. Children will be listed according to the over-subscription criteria.

This waiting list will continue to be held and updated to allow pupils to be in priority order according to the over-subscription criteria, although children who are the subject of a direction by the local authority or who are allocated to the school in accordance with the Fair Access Protocol, will take precedence over any child already on the waiting list. Waiting lists will be held for all year groups for the whole of the academic year to allow the over-subscription criteria for any year group to be applied fairly.

ADMISSIONS FOR 'OUT OF YEAR' GROUP PLACES

The Admissions Code 2014 makes it clear that admission authorities must make decisions about placements outside the normal age group on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of:

- the parents' views
- the views of the head of the school/s concerned
- information about the child's academic, social and emotional development
- where relevant, their medical history and the views of a medical professional
- whether they have been previously educated out of their normal age group
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely. Schools and admission authorities should also make early contact for advice from the School Effectiveness Cornwall (SEC).

Any such admission requests will be considered and should be made to the head of the school in the first instance, who will liaise with the relevant agencies to ensure that a full picture of the pupils' needs is obtained. This will then be brought to the Board of Directors to make the final decision with advice from the School Effectiveness Cornwall (SEC). Please refer to the Cornwall Council website for further guidance.

ADDITIONAL/SUPPLEMENTARY FORMS

All parents who list their preferred schools on the Local Authority's Common Application Form are regarded as having made valid applications.

If the school is unable to offer a child a place, information on the Appeals Procedure will be made available on request.
