## PRAYER

Dear Lord,  
We thank You for the wonderful blessings this term has brought so far. We thank You for the inspiring adventures of our children, for the dedication of our staff, and for the shared vision that helps our academies grow and thrive together. Thank You for the gift of connection—from the smallest classrooms to our widest partnerships—and for the unique strengths each person brings to our trust family.  
As we look toward to the final weeks of the school year, grant us continued energy, wisdom, and joy. Keep our hearts rooted in your grace, and guide us as we build strong foundations for our young people to flourish.  
Amen.

## CEO SPACE

It has been an incredibly productive and strategic week !  
The week began with a focus on governance and long-term planning, anchoring both a formal Trust Members' meeting and a dedicated Vision and Values Committee meeting to align the trust's core ethos. I then championed the trust's strategic journey on a wider regional stage, delivering a presentation at the Southwest Dioceses' "Flourishing " event in Exeter to collaborate on empowering school communities. Finally, the week concluded with vital weekly catch-ups with the school improvement team, ensuring targeted resources and robust standards continue to drive rapid development across all of our academies.  
Have a wonderful weekend.  
Sean

## BIG CITY ADVENTURES: YEAR 5 & 6 TAKE ON LONDON!

Our Year 5/6 students have had a truly fantastic residential trip to London, packed with unforgettable experiences! The children threw themselves into every adventure, from braving the underground network and visiting a mind-bending illusion museum, to enjoying a thrilling speedboat ride down the Thames right to the London Eye, and experience a spectacular live performance of Matilda at the Cambridge Theatre. Throughout the entire trip, our students were impeccably behaved and represented their schools brilliantly. A huge thank you goes out to the wonderful teachers who accompanied them and worked tirelessly to make this experience possible!

## SYNERGY IN THE SOUTHWEST

Trust leaders Sean (CEO) and Luke (FSL) attended the "Flourishing in Trust" Southwest Dioceses' Symposium in Exeter to connect with colleagues from across the region. Featuring a keynote contribution from Sean and various breakout workshops, the event focused on equipping schools with the resources they need to thrive. The day's overarching theme emphasised that unity and interconnectedness among students, staff, churches, and partners are essential to creating an environment where everyone can flourish.

## STRONG FOUNDATIONS IN THE EARLY YEARS

A fantastic day of training for our Early Years team with Alistair Bryce-Clegg! They focused on embedding strong learning foundations right from the start. What a brilliant, dedicated team—they are excited to bring these inspiring ideas back to their classrooms!
