PRAYER

Dear Lord,

We thank you for the wonderful community we share across our Trust. Thank you for the opportunities our children have to learn, explore, and grow both inside and outside the classroom. Guide our steps as we work together, inspire our minds, and fill our schools with kindness and respect. May we continue to support one another and serve our community with joyful hearts.

Amen.

Children from across the Trust had an amazing experience visiting Wimbledon this week, which included watching a match on Centre Court! This is something that I'm sure many of us as adults haven't done. Dave Barker (Trust Sport Lead) has been trying to get tickets for the children for a number of years, so a huge thank you goes out to him for his perseverance. You never know one or all of these children may go on to play professionally in the future. In the meantime 'go Arthur Fery' today in the semi finals. Finally I'd like to say a massive thank you to Sue Morrish who resigned from the Trust board this week after 10 years as a governor. She also chaired the Trust until last September doing a huge amount to help make us the strong organisation we are today. We wish her all the best. Have a wonderful weekend and enjoy this amazing weather.
Sean

TRUST TEAMWORK ON DISPLAY

Over the last two days, we had the pleasure of hosting staff from Rosemellin at three of our wonderful schools: St Martin's, St Nicolas, and St Winnow. The visit was an incredible showcase of collaboration, dedication, and community, with staff pulling together across all three sites to put the very best version of our schools and the Trust on display. The visiting Rosemellin team were left genuinely in awe of the academic rigour, high-quality teaching, and vibrant learning environments they witnessed firsthand in every single classroom. A massive thank you to everyone involved in hosting, organising, and welcoming our visitors—you made it look seamless and proved once again what an amazing team we have.

BRING SPORT! GAME, SET, MATCH: OUR WIMBLEDON ADVENTURE!

On Tuesday, a group of lucky pupils from across the Trust headed to Wimbledon for an unforgettable day out. The children explored the iconic grounds, soaked up the vibrant atmosphere, and witnessed the world number one play a thrilling quarter-final match on No. 1 Court! To top it all off, they visited the Wimbledon Museum to discover the tournament's fascinating history, complete with a look at vintage rackets and classic tennis outfits. It was an incredibly inspiring experience for everyone involved, and our pupils did a fantastic job of representing the Trust. A huge thank you to the staff members who accompanied the children and worked so hard behind the scenes to make this wonderful trip possible!

ST GERMANS SHINING BRIGHT ON THE 'GUIDING LIGHTS' TRAIL!

Last week, staff from St Germans School had the pleasure of attending the official launch event for the St Luke's Cancer hospice/charity in Plymouth 'Guiding Lights' trail, ahead of its public opening. It was wonderful to see our very own 'little' lighthouse standing proud alongside all the other incredible sculptures. The trail will feature these smaller creations alongside larger lighthouses placed across the city of Plymouth, all designed by various talented artists.

We are aiming to raise as much as possible for this fantastic cause. If you would like to support our fundraising efforts, please visit our JustGiving page here: [Just Giving Page](#)
