Bring It!

Newsletter issue #04 — *8th October 2026*

This Week...

What a fantastic week it's been at St Martin's!

Harvest Festival preparations have been in full swing, with the children hard at work practising their songs ahead of our main celebration at the church.

We were also delighted to welcome Mr Moscato, the Education Lead for the Diocese of Truro. He commented on what a wonderful environment St Martin's is, and the children were thrilled to lead him on a tour and share their learning. It was an absolute privilege to show him around, and I felt immensely proud of our pupils and staff for giving him such a warm St Martin's welcome

Warm regards,

Miss Pope
Head of School

POLITE NOTICE

Also, can we please remind you that there is no smoking or vaping allowed on the whole school site, which includes the car park.

Many thanks for your continued support.

Nursery News

Autumn has officially arrived at Wild Warriors, and our young explorers have been diving straight into the seasonal magic this week! Our mud kitchen was transformed into a bustling potion-and-soup station as the children cooked up delicious bowls of "pumpkin soup" - complete with plenty of squishing, stirring, pouring, and imagination. We also took inspiration from the vibrant changing colors around us to create beautiful leaf-printing artwork, collecting fallen treasures and discovering all the unique shapes and textures nature has to offer.

Looking for reading volunteers!

Bring your light to St Martin's every day and we will help it shine!

- Our School day starts at 08:45am & Registers close at 9am
- Any child arriving after 9am will be marked as late
- Any child arriving after 9.20am will be marked as an unauthorised late

Please kindly ensure your child arrives at school on time and with their school bag, drinks bottle and completed homework. Thank you.

Frequent lateness can lead to an accumulation of unauthorised absences, which can trigger formal action, for example Fines (Penalty Notices).

IMPORTANT UPDATE FOR PENALTY NOTICE CHANGES FROM AUGUST 2024

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £80 if paid within 21 days or £160 if paid after this but within 28 days.

If your child is further absent from school without authorisation within any 3-year period, you will be committing a further offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices for a second offence are issued per liable parent, per child and each carry a fine of £160, payable within 28 days.

Importantly, fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered.

Failure to pay the Penalty Notice may also result in legal action. If you are prosecuted and attend court because your child has not been attending school, you could get a fine of up to £2,500. Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Absence not authorised by the school may also result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Again, Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Money raised from fines is only used by the local authority to cover the costs of administering the system, and to fund attendance support. Any extra money is returned to the government.

If you are struggling with your child's attendance or would benefit from some help or support, please get in touch. We are here to help!

Medical Appointments: A Quick Reminder

To ensure your child misses as little learning as possible, please try to schedule medical and dental appointments **outside of school hours** whenever you can.

If an appointment during the school day is unavoidable, please provide the school office with medical evidence (such as an appointment card, letter, or text confirmation) in advance.

Parental Appointments: We kindly ask that children are **not** collected early from school to accompany parents or carers to their own personal appointments. Wherever possible, please try to arrange for someone else to collect your child at the end of the school day if you have another commitment.

Thank you for your continued support in helping us prioritise your child's education and minimise classroom disruption!

Road safety & Parking

We appreciate your cooperation in ensuring safe and efficient drop-off and pick-up times for all of our students. The safety of our children is always our top priority, and thoughtful parking plays a significant role in achieving this.
Recently, we've had reports of some vehicles unintentionally blocking neighbouring driveways and causing congestion that makes it difficult for local residents and emergency services to navigate our streets, and can be very dangerous for children and parents walking to and from school.
We kindly ask that you adhere to the following simple guidelines when parking near the school:

- Please park mindfully to ensure safety and clear access for everyone.
- Do not block driveways, even if you are just stopping for a moment. Our neighbours need clear access to and from their homes.
- Avoid parking near turnings and try not to park on both sides of the road.
- Keep all pavements clear - parking on them obstructs pedestrians, especially those with pushchairs or wheelchairs.
- Always observe all road markings, signs, and parking restrictions.
- Maintain flow - if it's not possible to park close to the school, please park slightly further away and walk the last short distance to ease congestion directly outside the school gates.
- Be patient and courteous - a little patience goes a long way during busy periods. Please be respectful of other drivers, pedestrians, and our neighbours.

Your understanding and cooperation in parking respectfully will help us maintain a positive relationship with our neighbours and, most importantly, keep all our children and the wider community safe.
Thank you for helping us make our school zone a safer and more pleasant environment for everyone.

Homework and Reading

Attend today, succeed tomorrow," and the idea that every lesson is an opportunity: "Each moment spent in school and learning at home is an investment in their future".

Home School Agreement

At St Martin's we want to work with parents and carers to provide a positive and supportive learning environment in which each child is treated as an individual and the needs of all are considered.

We encourage children, working within Christian values and British values, to work hard and achieve, taking pride and pleasure in their own and other's achievements. Working together on a basis of mutual respect to help all children become confident and enthusiastic learners.

The school sets appropriate homework regularly and ensures it is marked. At home we ask that parents and carers help your child to complete and return homework on time. Please enable them to find a quiet time and place to do homework. We would encourage you to read to, and with, your child frequently.

Like you, we want all children to enjoy their progress through school and they will have a much better chance of doing this if they are not having to play catch-up during the day.

Jewellery
Stud earrings and watches are the only acceptable jewellery to be worn. Children will be asked to take off any unsuitable items of jewellery.

Should I label my child's school uniform and other belongings with their name?

YES. Without a name it is virtually impossible to identify one jumper from another. Lunch boxes, water bottles and bags should also be labelled with your child's name. Please check your child's labels regularly as even permanent marker can fade over time.
Children will be encouraged to take care and responsibility of their own uniform and possessions.

If any families need support purchasing uniform, please contact Mrs Jill Wynne our Family Support Advisor jwynne@stbarnabasmat.com and she will be able to help you.

Important notices

Maintaining a Respectful Language Environment

We appreciate your cooperation in making our playground a positive and nurturing space for all students. As role models, the language we use around children is very important. We kindly ask that all adults on school grounds, including the playground, please refrain from using strong or inappropriate language. Thank you for helping us maintain a respectful and child-friendly environment.

Can we please remind parents and carers to make sure that children do not play with school equipment/ toys at the start and end of the school day.

We have previously had to follow families and ask for equipment back, when it has been played with and taken away by children. Occasionally items have been taken and not returned.

Could we please ask, if your child has inadvertently taken something from the school, that it is returned.

Please also refrain from taking the cover off the sand pit and letting your children play in the sand at the start and end of the school day.

DOGS
Please remember that DOGS ARE NOT ALLOWED ON SCHOOL GROUNDS under any circumstances, which includes carrying dogs. Please also DO NOT leave dogs tied to fences or gates outside the school grounds.

BIKES & SCOOTERS
ALL CHILDREN MUST DISMOUNT from bikes and scooters before they enter the school grounds. It can be dangerous, especially for our smaller friends, if children are whizzing along the paths and through the playgrounds.

If we see children persistently not dismounting when entering the school grounds, we may have to withdraw permission for them to bring their bike or scooter to school.

We hope you will understand that we are trying to keep all our children safe and appreciate your help in this matter.

PLEASE NOTE: any bike or scooter etc left on school grounds during or out of school hours, is left at your own risk and the school cannot be held responsible if any damage or losses should occur.

DROP OFF AND COLLECTION
If you drive to drop off and/or collect children, please can we remind you to drive and park with care. **Please DO NOT enter the school car park unless you have a parking pass**, which can be obtained from the school office. DO NOT STOP on the double yellow lines or block other vehicles in the school car park or on Briarwood and Lake Lane.
